Mr. Giuseppe Pace,
Hotel de France,
Palermo, Sicily.

Dear Mr. Pace:-

Your letter of September 27th has been forwarded to me from Brookline. As you will see from this letterhead, I am now in New York, connected with this Museum.

I have sent your letter to Mr. Frank G. Duffield, 1811 Mosher Street, Baltimore, Maryland, who now publishes the Numismatist.

Should you come to New York at any time, I would be very glad to see you and to show you the collection of The American Numismatic Society.

Very truly yours,

Curator.
